

Title: Uncommon Dungeon Fish

Author: Cpt. Piddlewash

---

In thee sacred trust  
I be bestowin' our  
knowledge. Ne'er afore  
hath sailor nor wench  
set down in pen the  
secrets o' Sosaria  
fishing. Tis only by  
the will o' the Order  
of the Dragonfish  
that I do.

Tis now up to you  
to protect this  
knowledge and earn  
the trust o' the  
Order. This knowledge  
can make you wealthy.  
Guard it well.

Crag snapper:

Crag snapper be fine  
eating. Just mind yer  
fingers.

Cutthroat trout:

This dungeon menace  
'tis the very one that  
gave rise to the ol'  
saying, 'Ne'er take a  
bath in dungeon water.'

Darkfish:

Ye find this fish  
in underground rivers  
and lakes. But only  
dark underground  
rivers and lakes.

Demon trout:

Beware, this big devil  
comes out of the water  
spicy.

Drakefish:

The smaller cousin o'  
the dragonfish, this  
beauty be much easier  
to catch and thus more  
commonly used in cooking.

Dungeon chub:

This be the only  
subterranean member  
o' the chub family.

Grim cisco:

This fish is sought for  
medicinal purposes. They  
say it be tha best cure  
for hysteria.

Infernal tuna:

This fish be deadly  
poisonous unless ye  
cook it in butter with  
a bit o' thyme and  
serve it with ale.

Lurker fish:

These fish like to  
hide up under corpses  
floating in underground  
rivers.

Orc bass:

If ye be ever chased  
by orcs, throw one down  
an keep runnin! Ever  
since I started tellin'  
folks this, I been  
sellin more orc bass.

Snaggletooth bass:

This dungeon lurker  
be resemblin' a large  
mouth bass excepting  
it be having  
huge jagged teeth.

Tormented pike:

This pike be hunted  
by every monster in  
Sosaria except fer  
a few.
